

**A lot of big benefits in a very attractive small package.**

### The Clover™ Mini

**It's your credit card terminal, your data security, your EMV solution, your app store, your printer and your business manager.**

#### The Clover Mini accepts all payment types:

- Credit, debit and EBT\* card swipes
- EMV chip + PIN and chip + signature
- Contactless payments and digital wallets like Apple Pay and Google Wallet
- Gift cards, both physical and virtual

#### It's not only attractive, but easy too:

- Intuitive interface
- Large 7" touch screen
- Two ways to connect: Ethernet Wi-Fi or 3G/4G (HSPA+) wireless connectivity

#### Look at the power it brings:

- On-screen signature capture
- Built in printer
- Integrated weight scale
- Front facing camera reads barcodes and QR codes
- Mutually authenticated SSL solutions and multiple layers of security deliver maximum protection that exceeds EMV standards
- Applications let you manage employees and keep track of customers
