

It's hard to find the best solution When you don't even understand the problem.

Connecting business
owners to better
products.

Direct Connect
has solved the problem
of too many rules and
regulations, and too
many choices.

So we found it for you.

If you want to:

- take advantage of the latest POS solutions
- build your customer base and drive loyalty
- protect yourself from the consequences of fraud
- be compliant with EMV mandates

This is your solution.

Direct Connect will set you up with the most robust POS system on the market today – the Clover system from First Data. We'll give you an FD40 PIN pad that assures your readiness for the new EMV world of chip-and-pin. And we'll give you FREE gift cards to help you grow your customer base and drive loyalty.

Nothing is faster, simpler, or more powerful. And you can't get it anywhere else at this low price.
