

Take Your Business Mobile with Direct Connect

Clover™ Mobile

Mobility and flexibility meet cutting edge payment acceptance...

Enter Clover Mobile, a high-powered portable business system that goes wherever you go, and works just as hard. Whether you're taking payments tableside, busting register lines, or just generally on the go, Clover Mobile helps you keep things rolling. This powerful handheld device lets you do what you need to, when you need to.

Clover Mobile is intuitive and easy to use. Right out of the box, you'll be able to:

- Accept all types of payments from magnetic strip and EMV® credit and debit cards to contactless – all without additional equipment or complicated software.
- Protect your customers, business, and reputation from fraud with built-in TransArmor Solution.
- Easily set up a mobile loyalty and rewards program that drives business using the free Perka Punchcard app.
- Manage inventory with advanced software and a built-in scanner that makes tracking and replenishing easier than ever.
- Tap into valuable insights about your business with Insightics.
